7434 SOHO WORKSHEET CUSTOM CHAIR PROGRAM - TIGHT BACK

This program is available in two standard frame depths (37") loose back or (34") tight back version and can be fully customized by the inch with many custom changes and upgrades. Choose from many standard arms, cushions and leg styles and fill preferences at no additional upcharge. Non-standard changes and greater customization and upgrades are available upon request with additional charges. See our 7400 Series Program Common Changes & Upgrades Price List for complete details. Please note that all dimensions are approximate within +/- 1". Please account for this tolerance when specifying. Different arm styles will affect the overall width, see Arm Styles Section for more details.
